**COMPLETE THE REGISTRATION WITH YOUR EMAIL, USERNAME, AND PASSWORD**

**Submit a valid e-mail, because Instagram will ask you to verify it; also, it is where you will receive your log-in information. Then, add your platform username and the required password.**

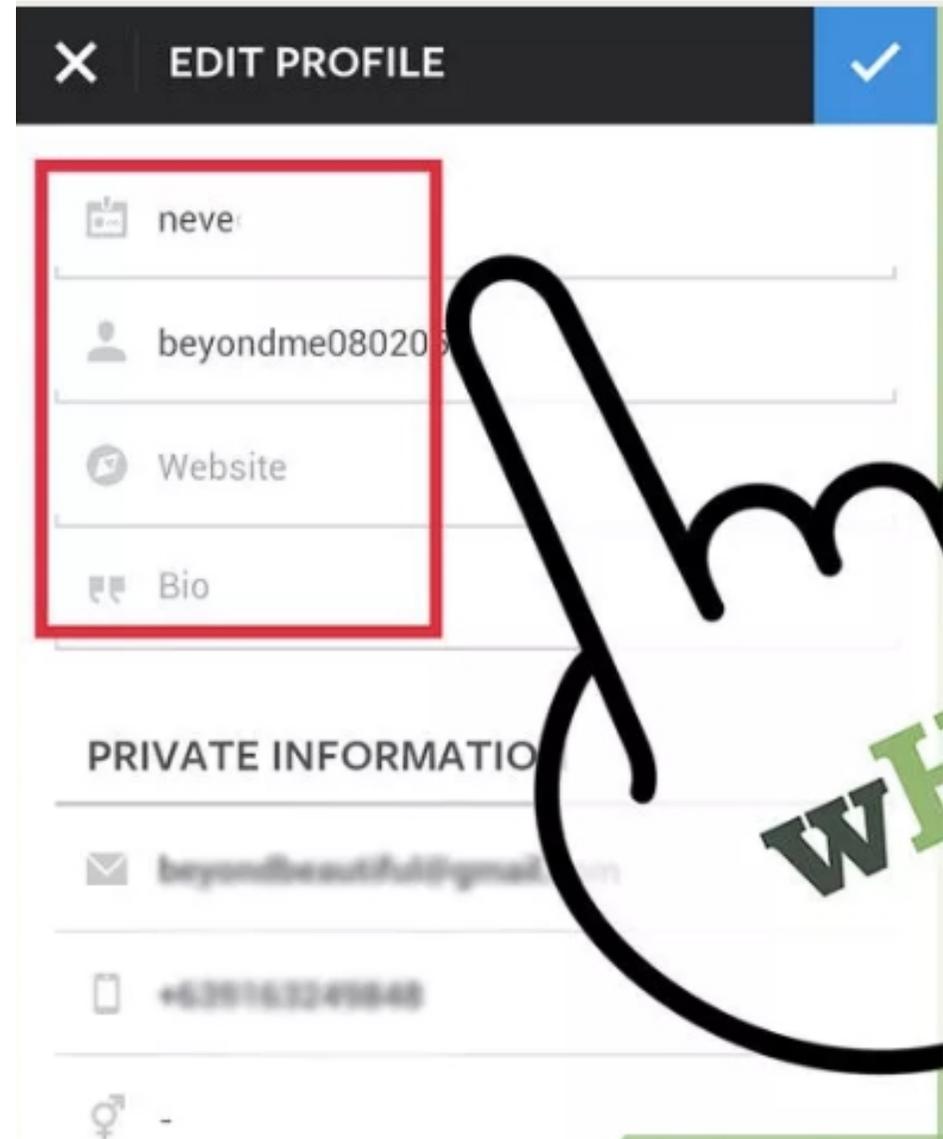

The image shows a mobile application registration screen. At the top, there is a 'Password' field with a lock icon. Below it is a 'PROFILE' section with the word 'optional' to its right. Under 'PROFILE', there is a checkbox labeled 'Use Your Facebook Info' with a Facebook 'f' icon. Below that is a 'Name' field with a calendar icon and a profile picture placeholder. At the bottom, there is a 'Phone' field with a phone icon. A hand is shown typing on a virtual keyboard, with a red circle highlighting the '3' key. The keyboard also includes a 'Done' button and a '123 Sym' button.

## REGISTER WITH YOUR PHONE NUMBER

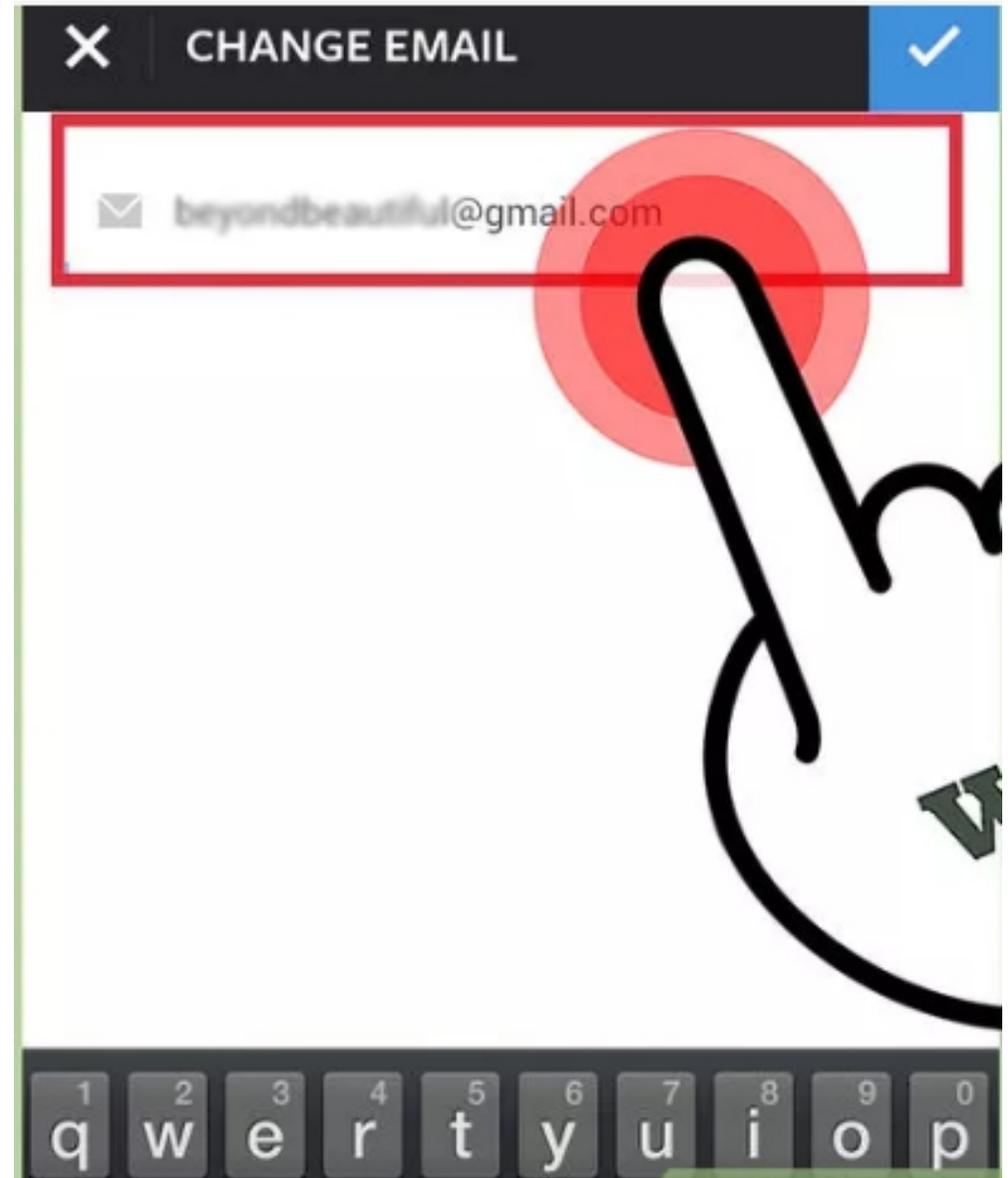

**You should register your phone number to make it easier for Instagram to verify your profile. Right now, they are using an SMS system so that users won't receive spam. Don't forget to add your country code.**

6

## FILL OUT YOUR INFORMATION

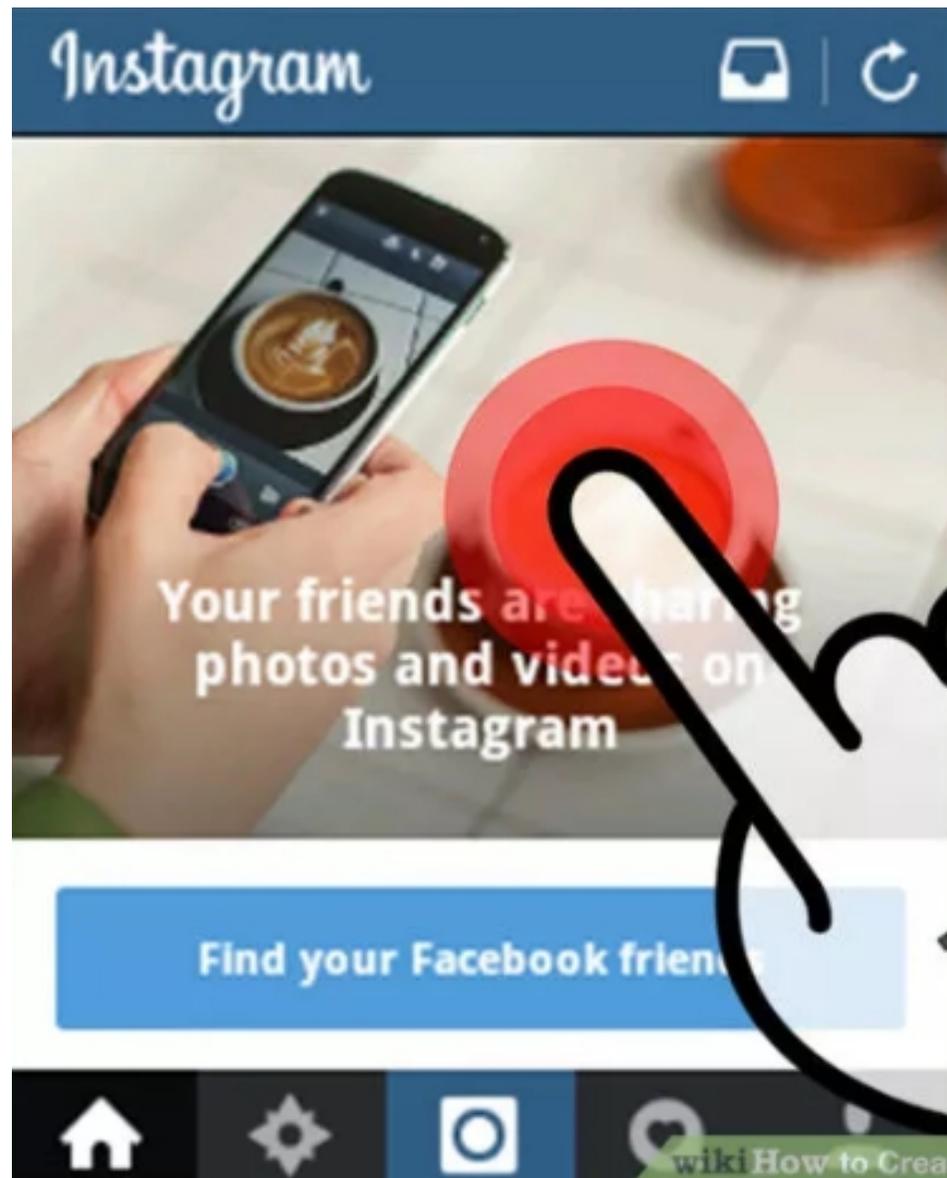

**Fill out your profile information, personal details, description, blog, etc...any information necessary for people to get to know your taste and personality.**

# 7

## CONFIRM YOUR EMAIL ADDRESS

**Remember to check your inbox to finish your Instagram registration. There, you should find a verification e-mail.**
