

Conflict Incident Monthly Tracker

Bayelsa State: December 2016-January 2017

Background

This monthly tracker is designed to update Peace Agents on patterns of conflict risk and violence, as identified by the Integrated Peace and Development Unit (IPDU) early warning system, and to seek feedback for response to mitigate areas of conflict.

Patterns and Trends October-December 2016

According to Peace Map data (see Figure 1), reported incidents during the period included communal tension, gang violence, criminality, and protests.

Communal Tensions: In December, tensions were heightened following protests by farmers from several communities in Yenagoa and Ekeremor LGAs over the destruction of farmland by cattle. The farmers called on the state government to enact laws to restrict the movement of herders in the state.

Gang Violence: In October, a four-year old boy was reportedly killed in a clash between police and cultists in Yenagoa LGA. In November, two cultists were reportedly killed during rival cult clashes and reprisal attacks in Yenagoa LGA.

Militancy: In November, members of the Niger Delta Avengers reportedly destroyed an oil pipeline in Nembe LGA.

Violent Criminality: In October, a disagreement between two policemen in

Yenagoa LGA led to a fatality. In November, several incidents were reported in Southern Ijaw LGA. Three kidnappers were reportedly killed by operatives of the Joint Task Force (JTF). Separately, operatives of the JTF reportedly rescued three victims from kidnappers. In another incident, a sea pirate was reportedly killed by soldiers. Also, a 72-year old retired school principal was reportedly abducted and later found dead after a ransom had been paid for his release.

Other Incidents: In December, there was a reported protest by youth and women's groups over the proposed relocation of a gas company.

Recent Incidents or Issues, January 2017

Key incidents reported in January included criminality, militancy, mob justice, domestic violence and protests.

Criminality: During the month soldiers reportedly fatally shot two gunrunners and a boat driver in Yenagoa LGA. Separately, soldiers under the JTF operation code-named 'Operation Delta Safe' reportedly raided a militant camp near an oil flow station in Nembe LGA and killed two militants in a shootout.

Protest: Tension was elevated in the state following the alleged plan by an oil company to move its headquarters from the Niger Delta area. The Ijaw Youth Congress (IYC) warned that such move would escalate conflict in the region.

Domestic Violence: In Yenagoa LGA, a woman reportedly killed her husband.

Separately, a 7-year old boy was reportedly tortured to death by his father and step-mother over allegations of witchcraft in Yenagoa LGA.

Other Incidents: A man was reportedly beaten to death by a mob for stealing from a trader in Brass LGA.

Prognosis

Conflict risk and violence during the period related mainly to militancy, gunrunning, communal conflict, cult violence and other violent criminality. Peace Agents should monitor the situation closely and respond appropriately.

Questions for Peace Agents

1. Is there anything significant missing from the tracker in terms of hotspots, trends, or incidents?
2. Which conflict issue suggested by, or missing from, this tracker is a priority for you (as P4P Chapter, Prevent Committee, or other stakeholder)?
3. What are some likely trigger events in the next 6 months that could escalate this conflict?
4. Who are the key stakeholders that have influence on the conflict?
5. What will you do to help mitigate the conflict in the short, medium, and long term?

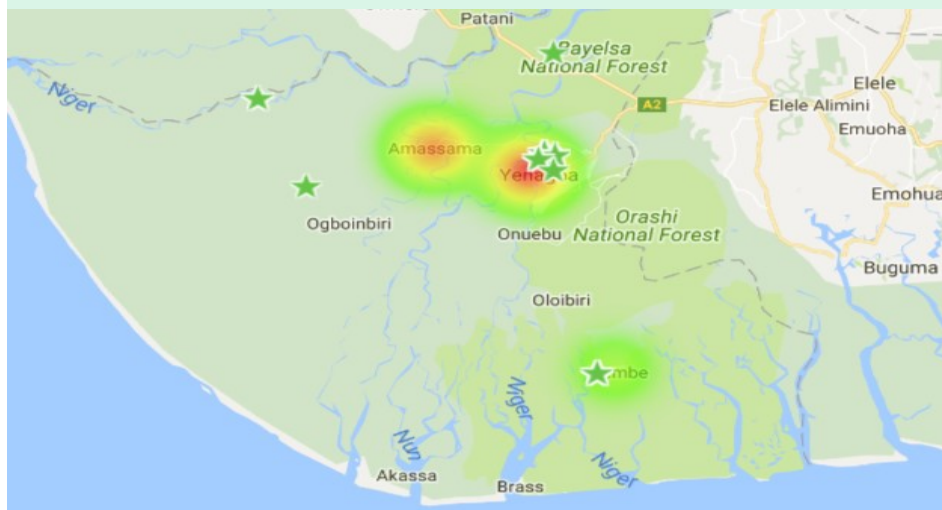

Figure 2: Conflict Fatalities by LGA (October – December 2016)

Reported fatalities by Local Government Area (LGA) in Bayelsa State in this quarter shows that Southern Ijaw LGA had the most reported incidents of conflict risk and violence.
